

To Whom It May Concern,

As Spinteks Company, we continue to maintain the same production, quality control, and management system processes. There have been no changes in these processes since the beginning of production.

Currently, we are certified by TÜV NORD for the following standards:

- **ISO 9001:2015** – Quality Management System
- **ISO 14001:2015** – Environmental Management System
- **ISO 45001:2018** – Occupational Health and Safety Management System
- **EN 9100:2018** – Aerospace, Space, and Defense Industry Quality Management System

Best Regards
