This certificate remains valid unless expired or cancelled, provided the equipment remains satisfactory in service and the approval conditions (given on page 2) are complied with.

Issue and expiry date:

From 28.02.2022 Until 27.02.2027

Jednostka Notyfikowana Nr 2434
Notified Body No. 2434

Zuzanna Andrzejewska
Zuzanna Andrzejewska

Head of Product Certification Division of CTO S.A.

Place and date of issue:

Gdańsk, 28.02.2022

Product description:

Quin EU – CF 043 type SBR rubber based adhesive applied in amount of 16g/m².

Type examination documentation:

Test report No. RS-21/B-317 dated 20.12.2021, Maritime Advanced Research Centre, Poland.

Place of production:

Quin Global, Ltd Ruthvenfield Ave.,
Invermalmond Industrial Estate,
Perth, PH1 3WB,
United Kingdom

Approval conditions:

1. This certificate will not be valid if the manufacturer makes any changes or modifications to the approved equipment, which have not been notified to and agreed with the CTO S.A.
2. If the specified regulations or standards are amended during the validity of this certificate, the product is to be re-approved prior to being placed on board vessels to which the amended regulations or standards apply.
3. The Mark of Conformity (wheelmark) should only be affixed to the above type approved product and a Manufacturer's Declaration of Conformity issued when the production-control phase module D, E or F of Annex II of the Directive is fully complied with and controlled by a written inspection agreement with a notified body.
