In the course of **year 2022**

Mates Italiana S.r.l.

has given **110 704 RECYCLED BOTTLES***
a new life as a foam core material.

By using ArmaPET Company saved
5,01 TONS OF CO₂ EMISSIONS.

This equals to **4,81 flights***
from Brussels to New York.

Thank you for a successful partnership.
Together we make a difference around the world.

* Bottles are calculated based on 32g / bottle, the standard 1,5L PET bottles.

* One traveller, one-way, economy class

Issue date: 05.04.2023
